Dettagli tecnici Technical data/Technische Daten/Données techniques/Datos técnicos

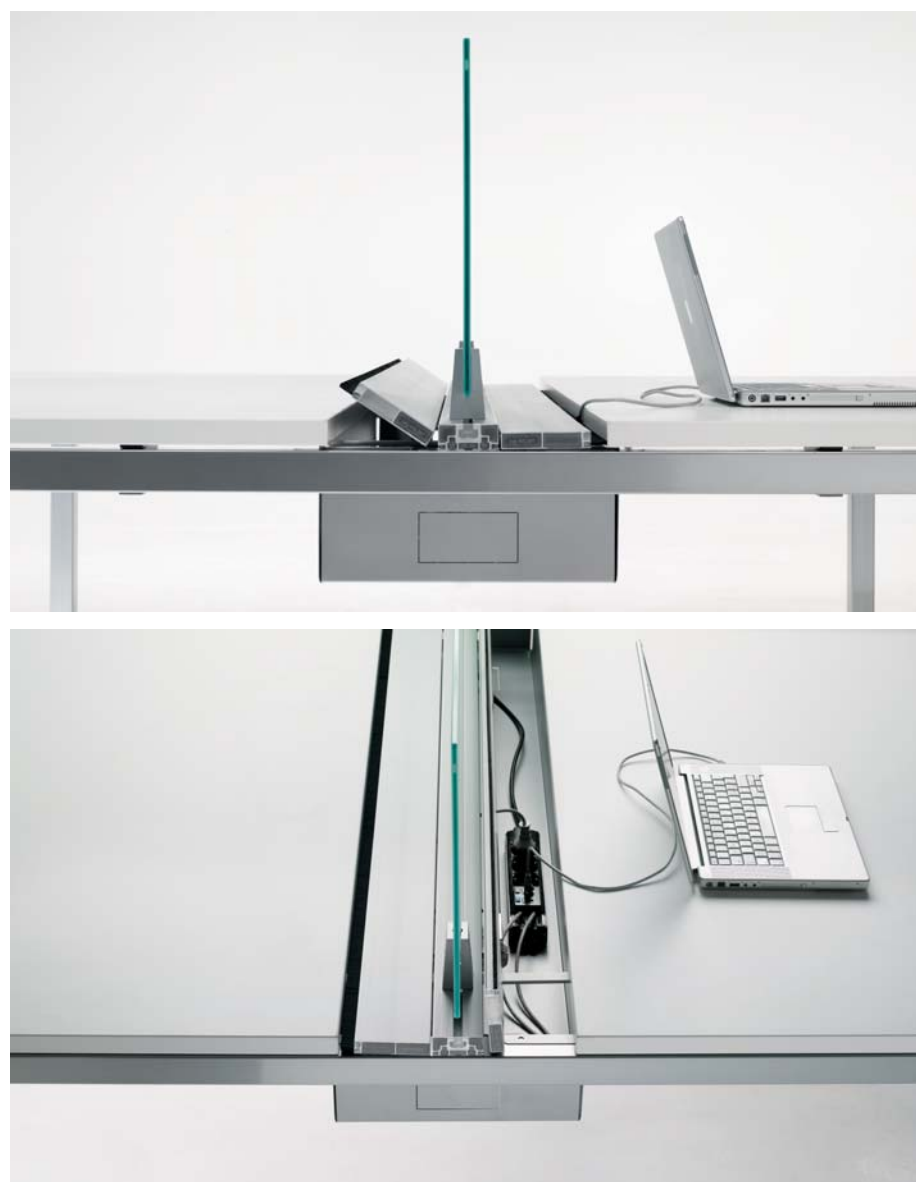

_La soluzione evidenziata nelle foto è realizzata con piani di lavoro ispezionabili attraverso una ribaltina per agevolare l'uscita dei cavi raccolti nel vascone metallico sottostante.

_The solution in the photo is created with tops that can be opened with a flap for passing and inspecting the cables that are held in the metal tray beneath.

_La solution mise en évidence dans la photo est réalisée avec des plateaux ouvrables du côté supérieur avec un abattant afin de faciliter la sortie et l'inspection des câbles rassemblés dans le bac métallique fixé dans le dessous.

_Die am Foto abgebildete Lösung ist mit aufklappbaren Schreibtischflächen angefertigt, um das Herausführen der Kabel und dessen Kontrolle im darunter befindlichen Metallbehälter bequem zu gestalten.

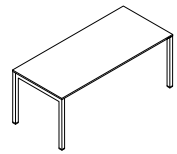

_La solución que se muestra en las fotos ha sido realizada con planos de trabajo que se pueden abrir en la parte superior con una tapa basculante para facilitar la salida y la inspección de los cables reunidos en el compartimiento metálico que se encuentra debajo.
